

"A global organization of volunteers dedicated to changing the world, one child and one community at a time"

KIWANIS FOUNDATION OF CANADA PRESIDENT'S ENEWS FOR JANUARY 2012

Colin's Fourth Edition

KEY LEADER in CANADA

"I realized that a leader's job is not just simply leading but it's more about inspiring and helping everybody become better. This is an amazing experience!"

"I am leaving this camp with great leadership skills and wonderful friends. Please know that this organization is life changing."

"The volunteers here are awesome. I know they are volunteers but I think they should get an award."

Happy New Year to everyone.

The new year celebration is a time to recommit to the work ahead. We should all be inspired by the good works that Kiwanians do each and every day. A great example is the Key Leader Program which the Kiwanis Foundation of Canada subsidizes with a per student grant. I received a great stack of thank you cards addressed to the Foundation and the comments definitely show that we're on the right track. Kiwanis now runs several Key Leader weekends across the country and I hope to see that number grow. Key Leader is a powerful leadership training program for our youth and should be a building step for many of our sponsored youth programs. And yes, every volunteer in the program should get an award, as was suggested by one participant. The Foundation just happens to have some.

May 2012 be a year of happiness, good health, and success. May your Club grow, may your projects meet the needs of many more people, and may you achieve satisfaction in knowing that through Kiwanis you ARE changing the world, one child and one community at a time.

Every day in the developing world, 24,000 die of preventable causes—before reaching their fifth birthday (8.8 million annually).

- *Leadership by example is the best kind of leadership, and its never more so than when a good opportunity to save lives and improve the conditions of life presents itself. The ELIMINATE Project gives us this opportunity. Check out the two new KFC videos at:*
