The Kiwanis Foundation of Canada...Together We Build.

This special issue of the *FOUNDATION NEWS* is mailed to every Kiwanis member in Canada. It is complimentary from the *KIWANIS FOUNDATION OF CANADA*, and comes to each member with best wishes and hopes for a great year in *KIWANIS*.

President's Message

President's Message

We are truly blessed to live in a peaceful and prosperous country like Canada, and doubly blessed to have the privilege of contributing back to our communities through our membership in Kiwanis. I am always amazed and so proud to be a Kiwanian when I see all the good works that are accomplished by Kiwanis Clubs. In most of the world its a much different story.

The ELIMINATE Project should animate every Kiwanian and we can be assured that the fight against neo natal tetanus is a most worthy cause and an excellent world service project. I speak to it in every monthly E News I send out because its a project every Club can get behind. If you're not getting the E News send me your email address at creichle@interbaun.com and I'll get you on the mailing list. The Foundation Board has committed to taking a leadership position by adding \$1 to every \$3 donated by a Club. Now all we need is for each Club to dig deep and make a contribution.

We are also taking a leadership role in supporting the Key Leader Program and I am pleased to see that all Canadian jurisdictions are now sponsoring Key Leader weekends. Key Leader is a high impact leadership training program that has produced tremendous results that we need to capitalize on. Orienting our youth towards service leadership is a powerful way to direct them down the right path of life and we need to do more of this.

The Foundation is constantly fine-tuning our programs offerings so please visit the website to see how you or your Club can help, or how the Foundation can in turn help your Club to recognize your members and volunteers and provide meaningful projects, scholarships, and programs that will indeed change the world, one child and one community at a time. Your donations to the Foundation are important!

***Yours in Kiwanis Service,
Colin Reichle, President***

Kiwanis Foundation of Canada

Janvier 2012

Message du président :

Nous sommes doublement privilégiés de vivre dans un pays paisible et prospère comme le Canada et de redonner aux collectivités que nous desservons par notre affiliation à Kiwanis. C'est toujours avec étonnement et grande fierté que je constate à titre de kiwanien le magnifique travail accompli par les clubs Kiwanis. Ailleurs dans le monde, c'est souvent une toute autre histoire.

Le projet ELIMINATE devrait remplir d'enthousiasme chaque Kiwanien et chaque Kiwanienne et nous pouvons être assurés que la lutte contre le tétanos néonatal est une cause et un projet de service mondial louables. J'y fais allusion dans chaque bulletin mensuel *E News* que je publie parce qu'il s'agit d'un projet auquel chaque club peut fournir son appui. Si vous n'êtes pas sur la liste d'envoi du *E News*, envoyez-moi votre adresse courriel à creichle@interbaun.com. Le conseil de la fondation s'est engagé à prendre les devants en acceptant de verser 1 \$ pour chaque tranche de 3 \$ versée en don par un club. Il reste maintenant à chaque club de faire un effort et de verser sa contribution.

Nous avons également décidé d'aller de l'avant en appuyant le programme Leader clé et je suis heureux de constater que toutes les juridictions canadiennes parrainent les week-ends du programme. Il s'agit d'un programme de formation très percutant qui a produit des résultats spectaculaires sur lesquels nous devons miser. Orienter nos jeunes vers le leadership du service est une façon puissante de les diriger dans la bonne voie et nous devons nous investir davantage dans ce type de projet.

La fondation raffine sans cesse ses offres de programmes. Je vous invite à visiter le site Web pour savoir comment votre club pourrait aider ou encore en quoi la fondation pourrait aider votre club à souligner la contribution de vos membres et de vos bénévoles, offrir des projets significatifs, des bourses d'études et des programmes qui changeront le monde, un enfant et une collectivité à la fois. Vos dons à la fondation sont importants!

Amicalement vôtre dans le service Kiwanis,

Colin Reichle, président

The Foundation Board has set aside in a restricted account the sum of \$250,000 and has announced a matching program with the Kiwanis clubs of Canada that for every \$3.00 they provide in donations for Eliminate, the Foundation will add \$1.00 until the amount of \$250,000 has been reached and by so doing will raise \$1,000,000 toward the Eliminate program goal for Canada.

New Member Incentives

Western Canada Key Leader - 2011

On the weekend of September 30 - October 2, 2011, two very successful Key Leader Camps were held in Western Canada, with nearly 100 students, grades 9 to 12 participating.

One camp was held at Camp Arnes, near Gimli, Manitoba, while the other was at Birch Bay Ranch near Edmonton, Alberta. Each camp was led by a professional facilitator provided by Kiwanis International, while a staff member from Indianapolis assisted at each camp. Students were divided into neighbourhoods, each of which was led by a student facilitator, providing those students an excellent opportunity to practice their leadership skills. In addition, adult chaperones were present to help out and monitor students in their off time.

The camps started right after supper on Friday (with all participants being extremely well fed all weekend), continuing until nearly midnight. Saturday was a full day, with sessions in the morning and after supper. The afternoon was taken up by outdoor teambuilding exercises and challenge courses for the students. At Birch Bay, we were fortunate to have a Cree Elder present from one of the schools, who led two spirit circles, not just for the First Nation students in attendance, but for all the participants, students and adults. Sunday morning was another series of sessions and the camps finished at 11:30 am.

The cost of operating Canadian Key Leader Camps is generously supported by the Kiwanis Foundation of Canada, which provided a \$50 scholarship per student, reducing the registration fee to \$155 from \$205. For any participant who was an active member of a Key Club, the registration cost was again reduced by a further \$25 through a subsidy from the Kiwanis International Foundation.
